Growing Music in MASS
Looking to the Future

The Mission

Growing Music in MASS (GMM) awards block grants to school districts and programs in support of general music education. Grants are awarded to foster the development of school music programs that encourage and enable all students, without regard to financial condition, to receive the types of high quality music instruction that can eventually lead to participation in life-enriching performance experiences, including state and district festivals.

Won’t you join us and be a part of that essential mission?

Donation Form

I’d like to support Growing Music in MASS grants by contributing to the:

Benefactors - $5,000 and above
